

| kindergarten | what does my child bring?

Please do not send individual school supplies with your child. We will provide all the school supplies your child will need for learning.

Your child will need to bring the following items to school on the first day of classes:

☐ **Indoor Shoes**

Your child will need a pair of **indoor shoes** that are **easy for them to put on by themselves** (velcro or slip-on). Please make sure these shoes are suitable for running and playing in (no heels, flip-flops or sandals). These shoes will remain at the school for the duration of the year.

☐ **Change of Clothing**

Keep in mind that this is Kindergarten and we do like to have FUN! Sometimes having fun means that we do get messy from painting, making crafts and playing outside. Please ensure your child has a change of comfortable clothing and a bag in their backpack just in case.

☐ **Healthy Snacks** (peanut-free is preferred)

Making healthy lifestyle choices is something that we encourage all our students to do. We ask parents to pack healthy options for their little ones during their snack time. Please keep sweet treats, candy and juice at home.

What If My Child Has Allergies?

Please be aware that we are an **allergy aware** school, so we do ask parents to do their best to provide **peanut/nut free** snacks. If your child has allergies, please ensure that you complete and submit a [Student Health Plan](#) to us for our records.

☐ **Water Bottle** (spill/leak proof)

☐ **Full Sized Backpack** (no roller-style packs, please)

Label Your Child's Items

Please label your child's items including shoes, outdoor clothing, water bottle and backpack. We currently have a fundraiser through [Mabel's Labels](#) where parents can order customized labels online. 20% of all sales come back to the school to go towards enrichment opportunities for our students. We do our best to return lost items, however, if they are not clearly labelled they end up in our school's **Lost & Found**. Any unclaimed items are donated to a local cause.
