School Planning Engagement 2024-25 - Results

Sharing Back | School Planning

Thank you to everyone who participated in our school planning engagement. We know we make better decisions to support student learning when we build understanding and work together.

The feedback we received is compiled below and will be thoughtfully considered in making decisions about school planning.

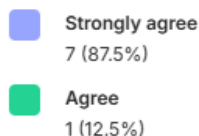

- Meeting evaluation summary (8 evaluations completed)
- Online survey results (27 surveys started, 11 surveys completed)

Sharing Back | Meeting Evaluation Summary

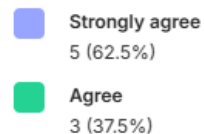

Our school planning engagement occurred between March 3 and March 31, 2025. We also provided parents with the opportunity to share their thoughts through our March 18, 2025, School Council meeting and an online survey. Parents who attended our School Council meeting provided feedback. These results have been reviewed and will be considered in making decisions about school planning. We are pleased to share these results with you.

Share your thoughts about our meeting

This meeting provided me with useful information.

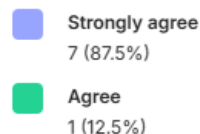

I understand the planning work schools do to improve and support student learning.

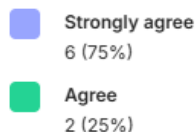

I was encouraged to share my thoughts and feedback during this meeting.

The presenters were easy to understand.

I had enough time to read the on-screen (visual) content that was presented.

The on-screen (visual) content was clear and easy to read.

dialogue)))

What did you like most about this meeting?

- *Part of a regular School Council Meeting to engage as many families as possible*
- *informative*
- *Clear and informative, pause for questions and discussion throughout.*
- *Interesting to note how the budget and planning is actually done*

What did you like least about this meeting?

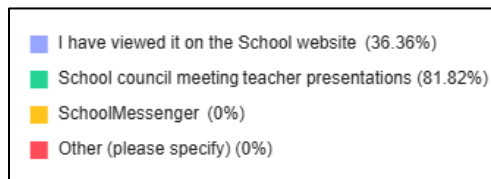

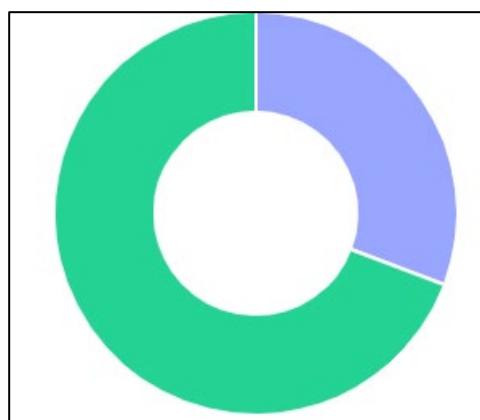

- *All good!*

Other Comments

- *Thank you for sharing and engaging.*

Sharing Back | School Planning School Development Plan (SDP)

We share SDP information and updates in different ways. Please indicate the ways you have learned about our SDP. Check all that apply.

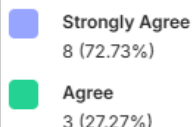

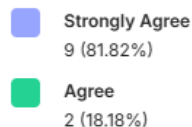

dialogue)))

The SDP is developed with all students in mind. Please select your level of agreement with the following statements:

My child's learning can benefit from the goal(s), outcome(s), actions and resources in the SDP.

The learning of all students is reflected and prioritized in the goal(s), outcome(s), actions and resources in the SDP.

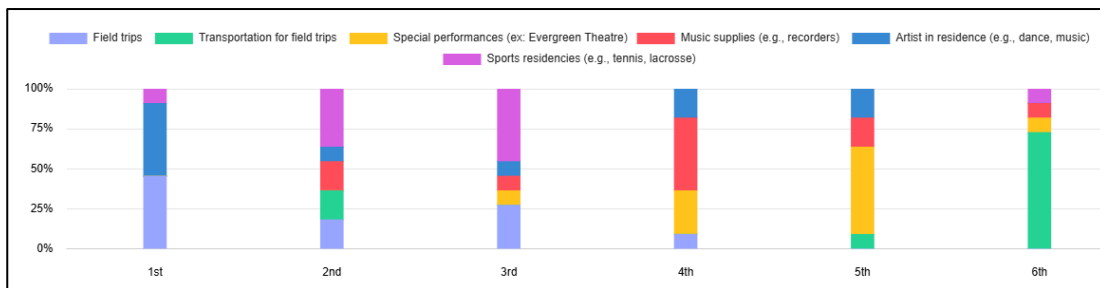

Please share any other thoughts you may have about our SDP.

- Survey participants did not provide a response to this opportunity.

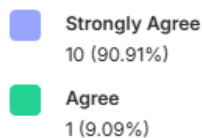

School Budget & Fees

Schools must operate within their budget and too many fees can be unmanageable for families. Knowing that, please rank the following activities and services in order of importance to you.

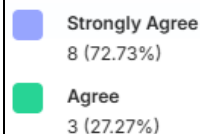

Please select your level of agreement with the following statements:

The activities our school provides (e.g., field trips, guest speakers, experts in schools, sporting activities, outdoor education, etc.) are important for my child's learning.

The school fees I pay are reasonable considering the benefit they provide my child.

dialogue)))

Please share any thoughts you may have about our budget and fees.

- *Survey participants did not provide a response to this opportunity.*

We encourage your participation in future engagement initiatives. Your input is important to us and we know we make better decisions to support student learning when we build understanding and work together.
