Cuidamos Nuestro Learning Commons

11 de marzo 2025

Our Learning
Commons is a very
special place.

Our Learning Commons is flexible.

Our Learning Commons is creative.

Our Learning Commons is for everyone.

The image shows a bright, modern school interior. In the foreground, there is a round blue table with two white chairs. To the right, a curved blue sofa is visible. Further back, there are more round tables and colorful ottomans in shades of green and orange. Large windows on the right side of the room provide natural light and a view of the outdoors. The ceiling features exposed ductwork and long, horizontal light fixtures. The overall atmosphere is clean, open, and collaborative.

We need to work
together to take care
of this special place
in our school.

Please put all chairs back under the tables.

Please keep the reading area tidy.

Please put the stools
back in friendly groups.

A photograph of a classroom corner. A large grey pegboard is mounted on a wall, with various colorful LEGO bricks and a black cross-shaped object pinned to it. Below the pegboard, two blue plastic storage bins are on the floor. To the right, a metal cart with multiple white drawers and a green bin on top is visible. The floor is carpeted, and a small white object is on the floor near the bins.

Please put LEGO away
when you are done.

Please keep the Makerspace tidy.

Please put the wobble
stools away.

Please keep the
cubbies open all
the time.

The background image shows a spacious, modern interior, likely a learning commons or collaborative workspace. It features several long, light-colored wooden tables arranged in a way that encourages group work. Black office chairs are positioned around these tables. In the center, there are more comfortable seating options, including blue and green armchairs and a small round table. The room is filled with various indoor plants, adding a touch of nature. Large windows on the left side provide ample natural light. The ceiling is high with exposed wooden beams and modern, rectangular pendant lights hanging from it. The overall atmosphere is bright, airy, and conducive to learning and collaboration.

Together, we can make sure our
Learning Commons is always
ready for our community.

Thank you for your
help and cooperation!
